

708543 : JWP-15HH, 15" Planer, Helical Head

JWP-15HH helical head planer quickly and quietly transforms rough lumber into smooth boards. Its heavy-duty cast iron and steel construction keeps the workpiece steady and supported, while the conveniently located two-speed gear box allows for quick and easy feed rate adjustments. This machine means business with a powerful 3 HP induction motor combined with a helical insert cutterhead housing 68 staggered carbide knives. A large cast-iron table with smooth-as-glass surface makes this planer a beautiful addition to the shop. And since planers kick up a lot of dust, we made dust collection easy with an exclusive angled 4" dust port to keep your hose out of the way.

Features and Benefits

- Helical cutterhead with indexable carbide inserts for a superior finish and quieter cut
- Heavy-duty cast iron and steel construction for added strength and durability
- Two-speed gear box with automatic chain tensioner lets you adjust the feed rate to meet your needs
- Large, cast iron, precision ground table for precise workpiece support
- Powerful 3 HP TEFC induction motor with three V-belt transmission for smooth and consistent power

708543 : JWP-15HH, 15" Planer, Helical Head

Specification	Value	
Part Number	708543	
Maximum Planing	14 7/8	"
Maximum Planing Thickness	6	"
Maximum Full Width Depth of Cut	1/8	"
Minimum Planing Length	8	"
Cutterhead Diameter	2 7/8	"
Cutterhead Speed	4500	RPM
Feed Rate	16 and 20 FPM	
Number of Knives	68 Four-sided inserts	
Dust Port Diameter	4	"
Dust Collection Minimum CFM Required	400	cu.ft/min
Amps	14	A
Motor Power	3	HP
Motor Voltage	230	V
Family Description	15" PLANER WITH HELICAL HEAD	
Model Number	JWP-15HH	
Brand	Jet	
Height	23	inch
Width	28	inch
Length	44	inch
Net Weight	540	pound
